

Anglesey Circuit Workshop Building

Ty Croes
Anglesey
LL63 5TG

Spectacular cliff-top workshop building at the Anglesey Circuit

- 1,500 square feet former military NAAFI building which requires refurbishment.
- Located at the Anglesey Circuit with a captive market of more than 50,000 visitors per year.
- The Anglesey Circuit is on the west coast of Anglesey and is within 5 miles of the motorway network and 3 miles of rail links to London.
- The building is available either on a long lease at a low rent or in a joint venture with a supportive Landlord.
- Good value rental housing can be made available.
- Other buildings also available at the same location.
